Commissioner for Patents

The final rejection of 9/19/08 inadvertently omitted claims 8 and 63 from the statement of rejection in paragraph 2, page 2 of the action, but treated the limitations of claim 8, (regarding stitching through the abrasive layers), in lines 13-14 of page 2, and the limitations of claim 63, (regarding the absorbent layers are a plurality of paper layers), in lines 7-8 of page 2 of the rejection and in the corresponding paragraph on pages and 3 and 4 of the examiner's answer. The statement of rejection at page 3 of the examiner's answer should include claims 8 and 63.
